Devvio Inc. ("**Devvio**") is willing to license this software to you only if you accept all of the terms contained in this Test License Agreement ("**LA**"). Please read the terms of this TLA carefully. You are not allowed to download, use, or possess this software unless you have agreed to the terms of this LA. By downloading, installing, accessing, or otherwise using or possessing the software, you are acknowledging and agreeing to be bound by this LA.

License: Devvio grants you a limited, non-exclusive license to use this software or application ("**Software**") and accompanying documentation ("**Documentation**") only subject to the terms and restrictions set forth in this TLA. The Software is licensed, not sold. The Software and Documentation is licensed to you by Devvio only for you to personally compile the Software and to personally test the Software. You may not transfer any of your rights under this TLA.

Prohibited use: You shall not (and shall not permit any third party to): (a) make or have made, or permit to be made, any copies of the Software or portions thereof, except as necessary for backup or archive purposes in support of your use of the Software as permitted hereunder; (b) copy the documentation; (c) attempt to alter, disassemble, decrypt or reverse engineer the Software, or otherwise attempt to discover any source code or underlying ideas or algorithms of any Software (except to the extent that applicable law prohibits reverse engineering restrictions); or (d) lease, rent, use for timesharing or service bureau purposes, or otherwise use or allow others to use for the benefit of any third party, the Software.

Feedback: Any reports regarding your use of the Software and any other usage information, results, comments, or suggestions provided by you to Devvio regarding the Software (collectively, the "**feedback**") shall be deemed non-confidential to you. By providing feedback, you grant and assign to Devvio, under your intellectual property rights and other ownership rights, a worldwide, royalty-free, irrevocable, and non-exclusive license, with the right to sublicense to Devvio licensees and customers, the rights to use and disclose the feedback in any manner Devvio chooses, and to display, perform, copy, make, have made, use, sell, and otherwise dispose of Devvio products embodying the feedback in any manner and via any media Devvio or its licensees choose, without obligation to you. To the extent that you may acquire by operation of law or equity, any right, title, or interest, including any intellectual property rights, in or to the feedback, or any modifications, or developments related thereto, you hereby assign to Devvio your entire right, title, and interest, including all intellectual property rights, therein and thereto, and agree to execute any necessary documents as reasonably required and requested by Devvio in connection with the foregoing. The above provisions and rights granted regarding title and intellectual property rights associated with the Software and the feedback shall survive termination of this LA.

Terms of Use: Devvio reserves the right to revoke, without notice and in its sole discretion, all licenses granted you at any time, and all licenses granted to you shall automatically terminate in the event you violate the terms of this TLA or any applicable law in connection with your use of the Software and documentation.

Proprietary rights: You acknowledge that the Software and the product are proprietary to Devvio and its suppliers and that title and other intellectual property rights therein remain solely with Devvio and its suppliers. Except as expressly stated above, this TLA does not grant you any right to patents, copyrights,

trade secrets, trademarks (whether registered or unregistered), or any other rights, franchises or licenses in respect of the Software or the Documentation.

Warranty Disclaimer: The software licensed hereunder is believed to contain defects and a primary purpose of this TLA is to obtain feedback on software performance and the identification of defects. You are advised to safeguard important data, to use caution and not to rely in any way on the correct functioning or performance of the software and/or accompanying materials. The Software and Documentation are licensed "as is," and Devvio disclaims any and all other warranties, whether express or implied, statutory or otherwise, whether arising out of this TLA or other communication with you, including, without limitation, any implied warranties of merchantability or fitness for a particular purpose, to the extent authorized by law. Without limitation of the foregoing, Devvio expressly does not represent or warrant that the use of the Software and Documentation will meet your requirements or will be secure, uninterrupted, virus-free or error-free. You assume responsibility for selecting the Software and Documentation to achieve your intended results, and for the results obtained from your use of the Software and Documentation. You shall bear the entire risk as to the quality and the performance of the Software and Documentation. The Software and Documentation are not designed or intended for use in medical life support systems and services, on-line control of aircraft, air traffic, aircraft navigation or aircraft communications; or in the design, construction, operation or maintenance of any nuclear facility. Devvio its suppliers and subcontractors, if any, disclaim any express or implied warranty of fitness for such purpose(s).

Product support: Devvio is under no obligation to provide technical support under the terms of this LA, and provides no assurance that any specific errors or discrepancies in the Software and Documentation will be corrected.

Limitation of Liability: in no event will Devvio or its suppliers be liable for any damages, including loss of data, lost profits, cost of cover or other special, incidental, consequential or indirect damages arising from the sale, installation, maintenance, use, performance or failure of Software and Documentation, however caused and on any theory of liability. This limitation will apply even if Devvio has been advised of the possibility of such damage. You acknowledge that the price of the Software and Documentation reflects this allocation of risk. Notwithstanding any damages that you might incur for any reason whatsoever (including, without limitation, all damages referenced herein and all direct or general damages in contract or anything else), the entire liability of Devvio and any of its suppliers under any provision of this TLA shall be limited to the greater of the amount actually paid by you for the Software and Documentation or US\$5.00. The foregoing limitations, exclusions and disclaimers shall apply to the maximum extent permitted by applicable law, even if any remedy fails its essential purpose. Because some jurisdictions do not allow the exclusion or limitation of liability for consequential or incidental damages, the above limitation may not apply to you.

Export Controls: You agree that you will not export or re-export the Software and Documentation in any form in violation of any applicable laws or regulations of the United States or the country in which you obtained them.

General: The laws of the state of New Mexico govern this LA, without reference to principles of conflicts of laws. The State and Federal courts located in Albuquerque, New Mexico, shall have exclusive

You agree that this TLAs shall not be subject to the United Nations Convention on Contracts for the International Sale of Goods (1980). This TLAs is the entire agreement held between us and supersedes any other communications or advertising with respect to the software. If any term, clause or provision of this TLAs shall be judged invalid for any reason whatsoever by a court of competent jurisdiction, such invalidity shall not affect the validity or operation of any other term, clause or provision and such invalid term, clause or provision shall be deemed to have been modified, to the extent necessary to make it valid and enforceable or, if such term, clause or provision cannot be so modified, it shall be deemed deleted from this LA.
